##### MALEFICENT

What's wrong with you?! People used to cower at the mention of our names! For twenty years I have searched for a way off this wretched island. Their spell trapped us here! It robbed us of our magic. And kept us from our rightful revenge! Revenge on Aladdin and his bloated, manic Gene! On Snow White and those horrible little employees of hers! On every surly mutt that has escaped your clutches! And I- Mistress of Darkness and the Evilest of All - will finally have my comeuppance on Sleeping "Beauty" and her most insufferable prince! Villains: Our day has come.

##### BEN

Mom, Dad- you set the stage for me to take Auradon into the next generation. And with that in mind - I've chosen my first official proclamation as King! When I look out over our beautiful island, I always see the Isle of the Lost in the Distance. They've been abandoned. And they deserve a second chance. So... I've decided: The children on the Isle of the Lost...should come to live here in Auradon!

##### EVIE

You'll never find her on the Isle by yourself. You'll need to know her hideouts, how to get around. It's not so simple. You'll...have to take me. And Jay and Carlos. But let's get two things straight: Number one, you have to promise to do every single thing I say. It's dangerous over there for a newcomer, not to mention the almost King of Auradon. Number two, you're NOT going looking like that.
